

St. Paul's Lutheran Church Preschool Policy Handbook 2020-2021

Nurturing a love of learning that will last a lifetime!

St. Paul's Lutheran Church Preschool

1609 Kurtz Avenue

Lutherville, MD 21093-5314

Jane Constantine, Director

director@stpaulsluthschool.org

School Office: 410-252-3867

www.stpaulsluthschool.org

Dear Parents and Guardians,

We at St. Paul's are eager to work with your children and to spend many happy and productive hours together. It is our intention to provide a Christian atmosphere in which your child can explore varied activities and make new discoveries. We are interested in your child's total growth: social, mental, emotional, physical and spiritual.

There is a growing need for a quality preschool curriculum in today's society. The increased emphasis on learning basic skills and concepts at a young age point out the need for a comprehensive, well-structured preschool program. In our daily schedule, we include individual and group play; music, art and science activities; language development and phonemic awareness; math concepts and number sense; outdoor play; and cooking experiences. Additionally, we strive to develop a love of reading and learning. We also love to take many varied field trips to increase the children's awareness of the world in which we live.

A child is a precious creature – to be loved, cherished and nurtured. Through loving guidance and mutual respect, we hope to give each child a positive attitude and a rewarding school experience. Especially in this very different year that we will begin together, we are so glad that you and your child are a part of this beloved community of learning and growth.

Blessings,

Jane Constantine, Director

The Rev. Dr. Edward N. Kay, Pastor

Samantha Gray, Governance Board Chairperson

Due to CDC Guidelines, we have made several changes to our policies and procedures in response to the COVID-19 pandemic. Please look for these changes in italic bold print.

I. CHURCH AND SCHOOL RELATIONSHIPS

Group Roles and Responsibilities

The Congregational Council of St. Paul's Evangelical Lutheran Church oversees all areas of church life, including the general operation of the Preschool. The Council has 14 members including the Pastor and receives monthly reports from the Preschool Governance Board. The Preschool Governance Board is a group of eight people (Church Pastor, Preschool Director, three Parent-Teacher Association (PTA) representatives, and three church members, one who serves as Chairperson) who meet regularly throughout the year to discuss and approve all issues related to the Preschool. The Board oversees the Preschool Bookkeeper, and the Board's Financial Secretary reports the monthly finances and budget.

The Pastor is the supervisor of the Director. The Director is the supervisor of the Preschool faculty and staff. The Director reports on all schoolwide activities and all issues related to: parents, students, staff, building and general operations.

The PTA representatives report on all PTA activities including planned events and the financial status of the Tuition Assistance Fund and general operating account.

The Chairperson plans the monthly agenda and conducts the meeting based on discussion with the Pastor and the Director. The Chairperson encourages committee members' participation, seeks committee consensus for all items discussed and reports the results of the meeting to the Church Council.

The remaining members support the Preschool through their participation at meetings, assist with church/Preschool events and help with research to effectively run the Preschool.

The PTA of St. Paul's Lutheran Church Preschool is a fundraising organization which provides enrichment funds for classes, tuition assistance and help with funding major

projects. It also sponsors various social activities for Preschool families. The PTA President, Vice President, Secretary, Treasurer and various committee chairs work together to accomplish the goals and plans outlined above.

Communication Between School and Families

Monthly Preschool and Stay and Play newsletters are sent to all Preschool families from the Preschool Director to discuss upcoming events, important announcements and things happening around the school. The Director will periodically send out e-mails during the month with updated or important information.

The Director uses the Remind app to relay time-sensitive information, including but not limited to school delays/closings, field trip information and PTA fundraisers.

The Preschool, Stay and Play and the PTA use Sign Up Genius and Evite to let families know about upcoming events. Families are advised to make sure e-mails from these providers go through to their inbox and not spam folders.

We also have an active Facebook page as the face of the School and a Facebook group for reiterating communication for current families and caregivers.

If a parent or guardian has a concern or issue, please bring it to the teacher's attention. If the concern or issue is not resolved, please notify the Director via e-mail at director@stpaulsluthschool.org or telephone at 410-252-3867. The Director will contact you to coordinate a virtual or in-person meeting in the Wilkening Room.

For communications related to COVID-19 please see the General Health Policy on page 12.

II. TUITION POLICY

Tuition Payment Terms and Conditions

A non-refundable deposit (representing one month's tuition) and a signed copy of the chosen Tuition Payment Plan Schedule is due by the deadline set by the Director in the application packet.

A statement is sent out after you submit the deposit. Payments are due according to the Tuition Payment Plan Schedule you select.

Tuition can be brought to school in an envelope marked "tuition" and left in the outside mailbox. You may also pay by ACH bank transfer or by credit card (there is a processing fee for credit payments). You can also mail payment to:

St. Paul's Lutheran Church Preschool
1609 Kurtz Avenue
Lutherville, MD 21093-5314

There will be a bank fee charge of \$25 for any returned checks. The returned check amount plus the bank fee must be replaced immediately.

Tuition payments are considered late and subject to a 5% late fee if they are not received within five (5) days of the due date noted on the Tuition Payment Plan Schedule and statement. After one (1) month of non-payment of tuition, payment arrangements must be made with the Director, or your child will not be permitted to attend school. Interest will be added to any amount due and appropriate steps will be taken to recover funds. Your child may return to school once tuition is current.

You are responsible for the entire year's tuition. **EARLY WITHDRAWAL DOES NOT NEGATE YOUR RESPONSIBILITY FOR THE ENTIRE YEAR'S TUITION.** Please notify your child's

teacher and the Director if your child will be withdrawing from the school. Early withdrawals require thirty (30) days written notice and a conference with the Director.

Closures Related to COVID-19

Parents will receive at least 50% of tuition as a reimbursement for the closure of individual classes or the whole school due to COVID-19 beyond 10 accrued days.

This policy does not apply to closures due to inclement weather.

Tuition Assistance

If you are in need of tuition assistance, please contact the Preschool Director to obtain an application.

III. STAY AND PLAY POLICY

This year our Stay and Play Program cannot run as usual because we cannot mix children from different classes. The Stay and Play teachers (Ms. Chesser, Ms. Lindsay, Ms. Kelly) can only provide Stay and Play for children in their class. For Early Birds, please contact the school to determine if your child's class will provide this program.

In following MSDE and OCC regulations, we are limited to at most 13 children per afternoon with a teacher:student ratio of 1:8. Because of our room capacity and staffing requirement, **a spot cannot be guaranteed for your child unless you sign up.** The Stay and Play Coordinator will send a monthly e-mail from Sign Up Genius to all Preschool families. If you have any questions, please contact the Stay and Play Coordinator, Lisa Chesser, at eday@stpaulsluthschool.org.

Drop-In Policy (Drop-In Rate)

Early Birds: Sign up and cancellation deadline is 9:00 p.m. the day before the session. To reserve your child's spot, you need to sign up by the deadline. If you sign up late and there is room in Early Birds, there will be an additional \$5.00 late sign up fee. If there is no room, you will not be able to drop off your child. If you do not cancel by the deadline you will be charged. ***There must be a minimum of two children signed up in order for this session to run.***

Lunch Bunch and Explorers Club: Sign up and cancellation deadline is 9:00 p.m. the evening before the session. To reserve your child's spot, you will need to sign up by the deadline. If you sign up late and if there is room in Lunch Bunch, there will be an additional \$5.00 late sign up fee; if there is room in Explorers Club there will be an additional \$10.00 late sign up fee. If there is no room, you will need to pick up your child. If you do not cancel by the deadline, you will be charged. ***There must be a minimum of three children signed***

up in order for this session to run. Parents will be notified by the Remind app or text if the class is canceled.

Billing: Payment is required on the day your child attends the Club (NO CASH). You will be billed at the end of the month if there is a balance. Payment is due within 5 business days. Late fees can be applied at the discretion of the school. After one month of non-payment of Stay and Play fees, your child will not be permitted to attend Stay and Play. Payment arrangements must be made with the Director, and your child may return to Stay and Play once payment is current.

Pre-Pay Packages Policy

Sign-Up and Payment Deadlines: Prepay packages of 10, 20, and 30 stays for Early Birds, Lunch Bunch, and Explorers Club may be applied to any day. Payment is due before your child may attend (NO CASH). Semester I, 3-day plan application and payment are due September 15, 2020. Semester II, 3-day plan application and payment are due December 16, 2020. No refunds will be given for withdrawal from the 5-day plans after these dates, even if your child is absent, or if Stay and Play is cancelled due to severe weather. To reserve your child's spot for both the semester 3-day plans and the packages 10, 20, or 30, you will need to sign up your child each month once the sign up is posted. If your child is not signed up you will be charged a \$10 late sign-up fee. If there is no room, you will need to pick up your child. ***If school is closed due to quarantine or lockdown, pre-pay packages will be reimbursed.***

Billing: Payment is required by the deadline. After one month of non-payment of Stay and Play fees, your child will not be permitted to attend Stay and Play. Payment arrangements must be made with the Director, and your child may return to Stay and Play once payment is current.

Late Pick-Up and Weather related Closings and Delays

Please refer to the policies on pages 22 and 26.

IV. GENERAL HEALTH POLICY

COVID-19

This plan has been designed using the CDC and MSDE Guidelines. This plan is subject to change and designed to be flexible in order to address new public health concerns if and when they emerge while also working to create and maintain a safe and healthy learning environment.

Masks: *We are recommending students wear a clean cloth mask daily from the car into the building. Teachers will encourage children to wear their mask throughout the school day with the exception of outdoor activities and snack time. If a child is not developmentally ready to wear a mask, masks will be worn at the teacher's discretion. All students must bring in a brown lunch bag marked with their name to put masks in when taken off. Students will wear their mask home; please launder for the next school day. Also, please keep a spare mask in your child's school bag. Please do not send your child with a mask on a lanyard.*

Parents must also wear a mask at drop off and pick up.

Screening: *Each morning there will be a screening process before entering the building to determine if a student is sick. The child's temperature will be taken by staff at the door, and the following screening questions will be asked:*

- *Has your child had a fever of 100.4 or greater in the last 24 hours?*
- *Does your child have a new cough, shortness of breath, chills, shivering, muscle pain, sore throat, headache, loss of sense of taste or smell, nausea, vomiting or diarrhea since yesterday?*

- **Has your child been in close or prolonged contact with anyone known to have COVID-19 or who has symptoms of COVID-19 since yesterday?**

Children will not be admitted to school that day if their temperature measures 100.4 or greater on the school AiQura infra-red thermometer or if parent answers “yes” to any of the screening questions. Additionally, siblings and any student who carpooled with a sick child will not be admitted to school. The sick child should quarantine, and if symptoms continue, parents should contact the child’s health care provider for further guidance. The child will not be able to attend school until he is asymptomatic.

If your child has an ongoing symptom such as a runny nose due to another condition such as seasonal allergies, they need a doctor’s note in order to attend school.

Notification: Parents are requested to notify the school if there is a confirmed or probable case of COVID-19 in their household or if a member of their household has been in contact with someone with COVID-19.

The school will notify the authorities (MDH and MSDE) and follow guidance with regard to closures.

Staff and children returning to school after a probable or confirmed case of COVID-19 should have a note from their healthcare provider documenting that they are released from isolation and able to return.

(continued on page 14)

(continued from Page 13)

Travel: *If your child or someone the child regularly comes into contact with (a member of your household or a visitor to the household) has been in a county with a positivity level over 10% according to the Johns Hopkins COVID-19 tracker, the school should be informed, and the child should quarantine or test negative for COVID-19 before returning to school.*

Social Distancing: *We aim to achieve reasonable and workable social distancing in the preschool setting. Class sizes will be smaller this year. Classrooms are being set up to ensure social distancing within each class environment. Additionally, signage and markers on the floor will facilitate social distancing.*

Hygiene: *Children will be encouraged to wash their hands frequently. Our bathrooms have touchless sink faucets, and we installed touchless soap dispensers. Also, adjustments have been made to lower capacity in the restrooms.*

In-School Illness: *If your child should become ill with COVID-like symptoms during the school day, they will be quarantined and supervised by a faculty member in the school library, and you will be contacted to pick them up as soon as possible.*

Supplies: *We ask that children do not bring anything other than essential items to school (diapers, water bottle, lunch box, spare mask). Please do not bring other items such as toys, blankets, etc.*

Cleaning: *St. Paul's Lutheran Church Preschool will be thoroughly cleaned and disinfected following CDC Guidelines at the end of each school day. Additionally, all things that cannot be easily cleaned will be removed from classrooms, and toys will be washed and disinfected regularly.*

Other Conditions to Keep Your Child at Home

In addition to COVID-19, the school requires that parents keep children home under the following circumstances:

1. If they have had a fever of 100.4° or higher without medication in the past 24 hours.
2. If they have vomited or had diarrhea or nausea in the past 24 hours.
3. If they have been placed on an antibiotic within the last 24 hours.
4. If they have severe colds and/or discolored discharge from the nose.
5. If they had a contagious condition* in the past 24 hours. They may return to school once they have received clearance from their pediatrician or the child is no longer contagious.

***Contagious Conditions**

In an effort to minimize exposure to contagious illnesses, classroom teachers encourage regular handwashing and sanitize shared surfaces often. Should a student be diagnosed with a contagious illness, proper cleaning and sanitization precautions will be used. If your child is diagnosed with a contagious condition, please alert your child's teacher and the Director immediately.

This includes but is not limited to:

- Conjunctivitis (Pink Eye)
- Coxsackievirus (Hand, Foot, and Mouth Disease)

(continued on page 16)

(continued from page 15)

- Croup
- Influenza (all strains)
- Head Lice
- Mononucleosis
- Strep Throat

Some illnesses will require students to have a doctor's note to return to school. Contagious illnesses may require that all parents are notified of possible exposure. The child/family's personal information will remain confidential.

Administration of Medication

If your physician decides it is necessary for your child to receive prescription medication during the school day, please ask the Director for the Prescription Medication Consent Form (sample on page 17) for your physician to fill out. Children should not be sent to school with medication; parents should deliver medication directly to the Director to keep it out of the classroom.

Prescription Medication Consent Form

Student _____

Class _____ Date of Birth _____

Address _____

I hereby give my permission for the school director or school personnel to administer medication during the school day to my child.

Completed by Physician

Date of Order _____ Name of Drug _____

Dosage _____ Time to be Given _____

Circumstance of administration at school _____

Reason for Medication _____

Physician's Signature _____

Physician's Name Printed _____

Telephone Number _____

***Please return to the School Director**

Vaccinations

****Updated for the 2020-2021 School Year****

St. Paul's Lutheran Church Preschool requires that all enrolled children have certain doctor recommended immunizations. Students are required to provide yearly updated information via their medical forms during orientation. Please refer to your child's pediatrician or the American Academy of Pediatrics for specific immunization schedules, **and make sure all vaccinations are up-to-date prior to the first day of school.**

While influenza vaccinations are not required, they are highly encouraged.

Personal belief exemptions are not accepted. Exceptions will be considered for children with valid medical conditions from a licensed physician.

Bathroom Independence

Children in the Threes, Fours, PreK, Stay and Play, and June Bugs **must be potty trained and able to use the bathroom independently.** The regulations of the Maryland State Department of Education and Office of Child Care do not allow teachers of children ages 3 and above to wipe or be in a stall when a child is using the toilet. The teachers may stand in the bathroom and coach a child, but the child must be able to do what is needed on his/her own. Appropriate clothing should be worn so that children can undress and dress themselves. Our teachers understand that young children have accidents which is why we ask parents to send in a clean set of clothes to be kept at the school. If needed, teachers will guide the children to clean themselves and change their clothes. If a child is unable to do this the teacher may call the parent to come to school to clean and change their child. We

ask parents to discuss with their children how to use the bathroom independently. **Children in the Twos do NOT need to be potty trained.**

Food Policy

Due to COVID-19, this year we require that all snacks are prepackaged. St. Paul's Lutheran Church Preschool will provide snacks during the month of September.

Because of the increased prevalence of severe nut allergies, St. Paul's Lutheran Church Preschool is a NUT-FREE school. **All nut products are prohibited.** The school requires that parents with a child who has allergies notify the child's teacher and Director with specific information regarding the child's condition and treatment. Parents will be notified at the beginning of the school year of specific allergens to avoid in their classroom if necessary.

At St. Paul's Lutheran Church Preschool we follow the guidelines the American Academy of Pediatrics has set for choking hazard foods. Foods like large cheese cubes, meat, whole grapes and chunks of raw vegetables should be cut into small bite-size pieces appropriate for a child. We ask that families provide healthy snacks for the classroom.

For classroom holiday parties and birthday celebrations, students will be permitted to bring an individually prepackaged snack to share with the class. Homemade snacks will not be allowed. Gift bags and other items will not be permitted. Each classroom teacher will have more information for parents on their individual snack and holiday party policies.

Prohibited foods: ALL NUTS, popcorn, chewing gum and hard or sticky candy.

Appropriate Clothing and Items

Weather permitting, we aim to have outdoor recess on our mulched playground every day. During rainy or cold weather, please send children to school with appropriate outer wear. Please label ALL outdoor clothing (including sweaters and sweatshirts) with the child's name.

When dressing your child for school, keep in mind that children are active in their classrooms and utilize different art materials throughout the day.

For the safety of the children, please send them to school wearing appropriate footwear for active play (non-skid, closed-toed shoes with lace-ups or Velcro).

We ask that children do not bring anything other than essential items to school this year. See the COVID-19 Health Policy on page 12.

Teachers have different policies on bringing items from home to school. However, **all toy weapons are prohibited.**

V. DROP-OFF AND PICK-UP POLICY

Drop-Off

Drop-Off is between 9:00 and 9:15 a.m. **Parents/guardians may not enter the building with their child and must be wearing masks. Each class will be assigned a separate door for entry. Adults will answer COVID-19 screening questions, student temperature will be taken and sign-in sheet will be initialed (refer to General Health Policy on page 12 for more information). Parents should bring their own pen for sign-in.** Any change in the child's pick-up routine must be communicated to the teacher at that time. If the person picking up the child is not on the Pick-Up Permission form, the parent/guardian must submit a written note giving permission, and the teacher will ask for ID.

Late Drop-Off

After 9:15 a.m. doors will be closed and parents/guardians must bring children to the Church Office door by the playground. The church secretary will notify the director to allow entrance to the main school building for the child.

Pick-Up

Parents should wear masks and bring their own pen for sign-out. Parents/guardians are expected to pick up their child at dismissal time from all classes and Stay and Play programs. The parent/guardian who picks up their child must initial the sign-out sheet. If a parent/guardian needs to pick up their child before dismissal time, he/she should notify the teacher at Drop-off, or call the Director if after Drop-off. The parent will need to go to the Church Office. The Director will be contacted and your child will be brought to his exterior classroom door.

Late Pick-Up

Our concern is primarily for the children as they feel forgotten and left behind and sometimes become very upset. Please make every effort to pick your children up promptly at dismissal.

Any child not picked up at dismissal time will be taken back to their classroom or to the Director's office until the parent/guardian arrives. After a five minute grace period, the parent will be charged a late pick-up fee of \$1.00 per minute. The fee notification will be sent home by the Director.

If you know you are going to be late, please contact the Director at 410.252.3867 or 410.252.3768 so that your child's teacher can be notified immediately and arrangements can be made for your child to attend Lunch Bunch or Stay and Play **if there is room in either of these programs**. You will be charged a late sign-up fee of \$5 for Lunch Bunch and a late sign-up fee of \$10 for Explorers Club in addition to the regular fee for these programs.

Visitor Policy

No adults will be allowed to enter the school building. If you need to drop something off late, come to the church office. If you would like a meeting with the director, parents may contact the director by e-mail or phone about speaking virtually or setting up a time to meet in the Wilkening Room.

VI. SPECIALS INSTRUCTION

Specials Instruction During the Pandemic

Specials teachers are not able to enter the classrooms or rotate between classes. They are preparing the lessons and resources and giving them to the class teachers. Class teachers will present the lessons with guidance from the specials teachers. Technology will be used when possible to include the specials teachers in the instruction.

Chapel Time

Monthly chapel time encourages Christian values that promote respect for others, self-control and a love for all of God's creation. Christian values are also incorporated throughout the school's curriculum.

Art

Children have art class once a week. This experience encourages creativity, imagination, critical thinking, self-confidence, and allows the children to observe the world around them. Children explore colors, patterns, shapes and different materials (acrylics, water colors, oil pastels, pencil, wood, clay, recyclable materials, paper mache, etc.). Children create their own unique pieces and focus on process rather than product. Our highly qualified and talented art teacher inspires a love of art.

Music and Movement

This weekly class encourages individual expression through music and movement, promotes gross motor development (running, jumping, hopping, skipping, stretching, marching, ball play), develops listening skills (rhythm, counting, playing instruments), ***This year we will not be focusing on singing skills but still aim to inspire love of music, movement and song.***

Spanish

Children in the threes, fours, and PreK have Spanish class each week. This experience encourages speaking and understanding Spanish through basic phrases, vocabulary, and songs, helps to develop memory skills and focuses on pronunciation and vocabulary skills.

Field Trips

Due to COVID-19, at this point in time there are no plans for field trips this year. Should that change, the following policy remains in place.

All children attending field trips will wear an identification card that parents will fill out at the beginning of the year containing the following information:

- Child's Name
- Parent's Names
- Home telephone number
- School name, address and telephone number
- Emergency contact telephone number(s)
- Medical awareness information
- IF ANY OF THE ABOVE INFORMATION CHANGES, THEN IT IS THE RESPONSIBILITY OF THE PARENT TO NOTIFY THE PRESCHOOL DIRECTOR.

A master list containing the same information as on the children's badges will be on file in the Preschool Office and in the Church Office.

The sponsoring teacher will carry a first aid kit on each trip.

The sponsoring teacher will provide trip date, destination and duration information to the Director and the Church Office.

Parents will sign a permission slip for each field trip the child attends, whether it be on site or at an off site location.

VII. CLASSROOM BEHAVIOR

St. Paul's Lutheran Church Preschool recognizes that all children are learning how to exist in and engage positively with the world around them. Our teachers' primary goal is to provide a safe and motivated learning environment where all students are actively engaged and interested in classroom activities.

St Paul's Lutheran Church Preschool encourages good behavior through thoughtful classroom organization and scheduling with a mix of focused work and free play, including outdoor play. Daily routines are established with carefully managed transitions, using simple rules and directions and age appropriate expectations. Faculty build positive relationships with children by reinforcing and rewarding desired behavior. Inappropriate and challenging behavior is managed in collaboration with parents, taking into consideration the socio-emotional needs of the child.

St Paul's Lutheran Church Preschool does not employ corporal or injurious punishment or withdraw snack, other food or recess as a deterrent.

Bullying

St Paul's Lutheran Church Preschool does not tolerate bullying. Children who do not respond to interventions to stop bullying will be suspended.

VIII. SEVERE WEATHER POLICY

St. Paul's Lutheran Church Preschool generally follows the Baltimore County Public Schools System's severe weather policy for school closings, delays and early closings as noted on the BCPS website found at www.bcps.org.

The Preschool Director may make an alternate decision based on consultation with the Pastor and a designated person in the neighborhood who can report area conditions. For closings and delays, you will be notified **of such a decision by 6:00 a.m. through e-mail, Remind app, and WBAL TV. For early closings, you will be notified as early as possible.**

Please feel free to make your own decision should you wish to keep your child home because of conditions in your area. As always, our first priority is the safety of our students and their families.

Preschool Closed: There will be no Early Birds, Classes, Lunch Bunch or Explorers Club.

Preschool 1 hour delay: Early Birds starts at 9:00 a.m. Classes are 10:00 a.m.-12:00 p.m. (10:00 a.m.-11:45 a.m. for Twos). Lunch Bunch is 12:00 p.m.-1:00 p.m. Explorers Club is 12:00 p.m.-3:00 p.m.

Preschool 2 hour delay: Early Birds starts at 10:00. Classes are 11:00 a.m.-1:00 p.m. (11:00 a.m.-12:45 p.m. for Twos). Lunch Bunch is 1:00 p.m.-2:00 p.m. Explorers Club is 1:00 p.m.-3:00 p.m.

Preschool Closed Early: Pick up is at 12:00 p.m. (11:45 a.m. for Twos). There will be no Lunch Bunch or Explorers Club. (You will be notified by e-mail and Remind as early as possible.)

Make-Up Day: If the Preschool is closed due to severe weather five or more days, there will be no professional day on February 12, 2021. This day will be used to make up Classes,

Early Birds, Lunch Bunch, and Explorers Club. If Extended PreK misses more than three classes due to inclement weather, a make-up day will be designated in the early spring.

ST. PAUL'S

LUTHERAN CHURCH

St. Paul's Evangelical Lutheran Church
1609 Kurtz Avenue
Lutherville, MD 21093-5314
The Rev. Dr. Edward N. Kay, Pastor
Church Office: 410-252-3768
Email: office@stpaulslutherville.org
www.stpaulslutherville.org

Sunday Schedule:

9:00 a.m. Contemporary Worship Service
10:00 a.m. GIFT All Ages Learning
11:00 a.m. Traditional Worship Service

The purpose of St. Paul's Lutheran Church is to share the good news of Jesus Christ through worship, discipleship and service.
